**GENERAC®** | **MOBILE**

# CTF-10 LED LIGHT TOWER

The ideal solution for long-term illumination of medium to large sized working areas, the CTF-10 stationary LED light tower features a compact, durable chassis for maximum space saving and transportation efficiency. Powered by utility power, the CTF-10 provides reliable lighting, with minimal operating costs and no scheduled maintenance. Tall 33 ft (10 m) mast allows for wide illumination area.

## WIDE COVERAGE

- The tall 33 ft (10 m) mast provides a wider illumination area at maximum height

## NO ENGINE

- No scheduled maintenance
- No engine emissions
- Silent operation
- Power from utility power, mobile generator or a diesel light tower

## LINKABLE

- Optional linking configuration for maximum versatility in lighting

## STATIONARY

- Stable skidded design with leveling outriggers
- Minimizes unauthorized relocation and tampering
- Ideal for long-term applications

## EASY TRANSPORT

- Integrated fork pockets and central lifting eye for loading and unloading

## SECURE STORAGE

For tools and accessories

### LIGHT FIXTURES

(4) 290W LED fixtures provide powerful, reliable lighting.

### CONTROL PANEL

Easy-to-use control panel with optional dusk-to-dawn sensor or timed settings.

## APPLICATIONS

- Music and Special Events
- Industrial Plants
- Manufacturing
- Warehousing
- Worksite Lighting
- Sporting Events
- Parking Lot Lighting
- Municipal Projects
- Auto Dealers
- Construction
- General Rental

# SPECIFICATIONS - CTF-10 LED LIGHT TOWER
